

Texas Department of Criminal Justice

Bryan Collier
Executive Director

SUBJECT: Agency 696 – Fiscal 2020 Annual HUB Report Supplemental Letter

The Texas Department of Criminal Justice (TDCJ) is firmly committed to promoting and increasing contracting opportunities with Historically Underutilized Businesses (HUBs). The agency seeks to accomplish this by using a highly structured program that is presented as the TDCJ HUB Action Plan. This action plan consists of separate action projects each with a written plan including action steps, persons responsible and due dates for completion. This plan is continuously evaluated as new opportunities are identified.

Agency good faith efforts include the following:

- The HUB Program staff forward listings of current agency opportunities to minority, women and service disabled veteran, trade organizations, business organizations, contractor associations, Texas Association of African American Chambers of Commerce (TAAACC) and Texas Association of Mexican American Chambers of Commerce (TAMACC), to identify potential HUB prime contractors and subcontractors to bid on TDCJ contracts. They also continue to work toward resigning the Memorandum of Cooperation Agreements with TAAACC and the TAMACC.
- Working directly with minority and women trade organizations, business organizations, and contractor associations to identify potential HUB prime contractors and subcontractors to bid on TDCJ contracts.
- Continuing to promote and expand our Mentor-Protégé program.
- Assisting HUB vendors with opportunities to present their products/services to TDCJ staff.
- Providing assistance, training, and educational programs to minority business groups and HUB vendors.
- Continuing to provide one-on-one training and annual HUB training to TDCJ Contracts and Procurement staff.
- Attending and participating in economic opportunity forums and HUB oriented trade fairs with bid opportunities.
- Attending and participating in pre-bid conferences to introduce HUB subcontractors to prime contractors and provide instruction on successful completion of the HUB Subcontracting Plan (HSP).
- Participating in HUB events sponsored by legislators and community leaders.
- Providing educational materials and seminars to minority and woman owned businesses and organizations regarding "How to do Business with the State of Texas and TDCJ". This also includes continuous enhancements to the materials utilized.
- Implementing a project to identify and locate HUBs in specific ethnic groups where there are none available.
- Participating in the HUB Discussion Workgroup.
- Requiring agency purchasers on purchases between \$5,000 and \$25,000, a minimum of seven informal bids be solicited, six of which will be from each of the HUB categories.
- Implementation of a 17 step HUB Initiatives Action Plan developed at the direction of the Executive Director to increase HUB opportunities agency wide. This plan was developed and implemented by the HUB Program and the Contracts and Procurement Department.

The TDCJ is committed to programs that improve our participation with HUBs. TDCJ's executive staff provides leadership and oversight for the HUB Program, resulting in a concentrated focus on the HUB initiative within the operational areas of the agency. A close working relationship between HUB Program staff and Contracts and Procurement staff is key to the success of creating and increasing contracting opportunities for HUBs.
