

709 - Fiscal 2023 Semi-Annual HUB Report Supplemental Letter

Texas A&M University Health Science Center continues its commitment to good faith efforts in HUB participation of the university's procurement opportunities. This commitment formally extends from Texas A&M University System Policies 25.06 and 25.06.01 regarding HUB participation by all System members.

Additional good faith efforts include hosting a construction expo for HUB subcontractors to meet with University and Texas A&M University System prime contractors, hosting an annual Chamber of Commerce event highlighting local HUBs, hosting the annual university-wide HUB vendor show at Main and Galveston campuses along with participation in Bexar County and Houston Minority Supplier Council HUB expos.

The following is bid data for Texas A&M Health for the period of 9/1/2022 – 2/28/2023.

- Total Bids Sent to HUBs 173
 - Total Responses by HUBs 39
 - Percentage Rate of Responses 22.5%

 - Total Bids Sent 492
 - Total Bids Sent to HUBs 173
 - Percentage of Bids Sent to HUBs 35.2%
- Versus Total Bids Sent

Despite the highly specialized nature of medical research equipment and services, Texas A&M Health continues to be fully committed to the challenge of increasing opportunities for HUB vendors to participate in these procurements.
