

# FISCAL YEAR 2024 NALOXONE DISTRIBUTION GRANT OPPORTUNITY

# O AFC

OPIOID ABATEMENT FUND COUNCIL

**PURPOSE** The Opioid Abatement Fund Council (O AFC) seeks to combat opioid overdoses in Texas by awarding funds to implement a statewide program that will distribute the opioid overdose reversal medication naloxone where it is needed most, and provide related training, including clean airway clearance techniques.

included on the Comptroller's office debarred vendor's list or having a conflict of interest with the O AFC. The grant applicant may submit a written request for the O AFC's preliminary review of any potential [conflict of interest](#).

## APPLICATION AND AWARD PROCESS

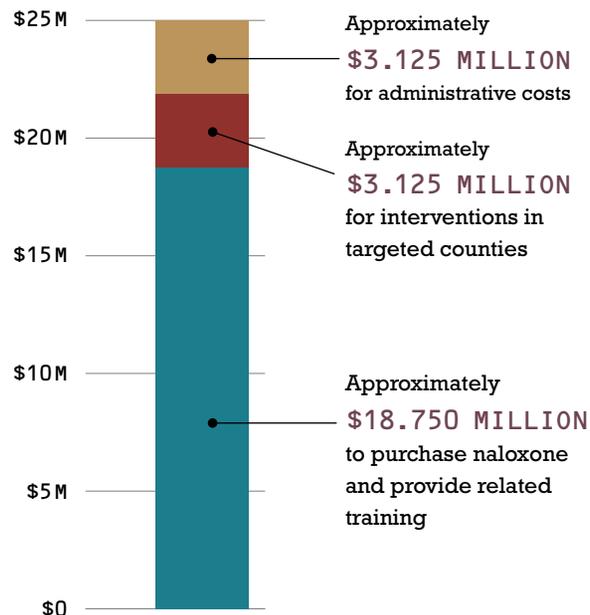

Applicants must complete an [application form](#), including fully developed and detailed proposals and budgets, through the O AFC's grant management system by May 31, 2024.

Applications will go through a multi-stage selection process, including a risk review and evaluation by an independent peer review panel. After the review process is complete, the O AFC will vote on the final grant award.

## CONTACT US

For more information contact the O AFC at: [oa fc.nofa@cpa.texas.gov](mailto:oa fc.nofa@cpa.texas.gov).

## UP TO \$25 MILLION IS AVAILABLE

## FUNDING

Up to \$25 million is available for this grant opportunity. Approximately \$18.750 million of that amount is available to purchase of naloxone and providing related training, with \$3.125 million for administrative costs and another \$3.125 million for interventions in targeted counties.

## ELIGIBILITY

Texas governmental entities, nonprofit organizations and any entities registered with the Texas Secretary of State and eligible to conduct business in Texas are eligible to apply. Funding will be awarded to one applicant to implement the program statewide, but applicants may use qualified subcontractors or subgrantees.

Companies that paid funds or currently are involved in opioid abatement lawsuits are disqualified from applying. Applicants and subcontractors will be subject to the general disqualifications, such as being
